You can ask questions like *1. How long have you been learning English? 2. Do you read books in English? 3. Are you able to speak in English with confidence? 4. If not, what do you think are the reasons?*

Questions are asked only to find information. The information you get from each friend should be written as paragraphs, in two pages.

This should be followed by one page with your suggestions on how to solve some of the major problems.
