Online Contact Classes for III Semester PG Programmes

In the wake of shutdown due to the COVID-19 outbreak, in line with other institutions, the School of Distance Education is also forced to temporarily suspend physical class rooms for conducting our contact classes and to shift to online classes.

Initially, the SDE proposes to conduct contact classes online for the third semester MA/MSc/MCom in the first and second weeks of June 2020. The students may take careful note of the following guidelines. These guidelines are for students who are yet to join the SDE virtual classroom in Microsoft Teams. Ignore if you have already joined.

1. You will receive a link via SMS in your phone for joining the online platform soon.
2. Click this SMS link received in your smartphone and send a request to join (Name and email id should be given in the request). You will be prompted to download MS Teams in your phone. Do that.
3. You will receive a confirmation mail from the SDE within a day. Use it to access the virtual classroom of SDE in Microsoft Teams.
4. Here you can see the general tab, on which the link to join your class will be shown.
5. Click on that link to join your class.
6. Time table will be announced through the app and the website-ideku.net.
